CARRER OBJECTIVE

Motivated and detail-oriented Final Year B.Tech Information Technology student with strong proficiency in Python, Data Structures, and Web Development. Seeking a dynamic internship opportunity to apply skills in real-world projects, contribute to innovative solutions, and grow under experienced mentorship in the tech industry.

EDUCATION

B.Tech in Information Technology , Sir CR Reddy College of Engineering, JNTUK	Expected 2026
CGPA: 8.36/10	AP, India
Intermediate (M.P.C) , Lakshyaa Junior Kalasala, Board of Intermediate	2020 – 2022
Percentage: 93%	AP, India

SKILLS

Programming Languages	python, HTML, CSS, JavaScript
Databases	SQL, DBMS
Developer Tools	Git, Github, Google Colab, VS Code
Academic Coursework	Data Structures, Operating Systems (Windows, Unix/Linux), OOP, DBMS
Data Visualization	Power BI, Tableau

EXPERIENCE

SkillDzire — Artificial Intelligence Intern — Remote *May 2024 – July 2024*

- Completed a 2-month internship focused on core Artificial Intelligence concepts and applications.
- Gained hands-on experience with Python, NumPy, Pandas, and scikit-learn.
- Learned practical implementation of AI models and basic deployment practices.

Infosys Springboard — Path to Pragati Cohort 3 — Remote *December 2024 – March 2025*

- Gained exposure to real-world IT industry practices through curated modules, mentorship sessions, and hands-on assignments.
- Developed skills in areas such as software development, problem-solving, and project collaboration.
- Enhanced soft skills: teamwork, communication, adaptability, leadership, and a strong work ethic.

PROJECTS

Python Parallel Text Handling Processor : A high-performance, scalable, multi-threaded Text Processing, Rule-Based Scoring, Search, Storage Analytics System built entirely in Python. Optimized for fast batch processing, parallel text chunking, rule-based scoring, searchable history, email summaries, and an interactive Streamlit dashboard. ([Project Link](#))

CERTIFICATIONS

- Web Development with HTML, CSS, JavaScript - edX ([view](#))
- SQL Basics – HackerRank([view](#))
- Python Basics – HackerRank ([view](#))
- Infosys Pragati Path to Future – Cohort 3([view](#))
- Python Foundation Certification - Infosys Springboard ([view](#))

EXTRA-CURRICULAR ACTIVITIES

- Actively contributed to open-source projects through GirlScript Summer of Code (GSSOC), demonstrating leadership, teamwork, and technical proficiency.
- Participated in national-level competitions including ALNCAT by Naukri Campus (top 8.3% among 21,000+ participants), Flipkart GRID 7.0 (Round 2), and YoungTrunks by Naukri Campus (97.76 percentile, All India Rank 11,000).
